PROFILE

3D Motion Designer and Generalist with experience since 2021 across advertising, music videos and immersive installations. Combines animation, look development and full-cycle 3D production, with experience developing original visuals and translating established creative concepts into finished work.

EXPERIENCE

LUSTRA Studio · Freelance 3D Generalist | 2024–Present

- Develop 3D assets and animated environments for commercials and music videos, working across asset creation and shot production.
- Independently execute CG sequences from scene assembly through lighting and rendering within collaborative productions.

Selected projects: Asake × Travis Scott — Active; ALLDAY PROJECT — TALK; Sber; Cola.

ATIS VISION LAB · 3D Generalist | Oct 2025–Apr 2026

- Produced six complete 3D scenes for the Alice in Wonderland immersive exhibition, translating an established concept into animated environments.
- Owned scene production through final rendering for a five-surface installation, with individual screen content and panoramic outputs up to 16,000 × 4,000 px.

EVA Studio · 3D Generalist | 2023–2025

- Created 3D visuals for product advertising, automotive films and industrial presentations, combining asset development with complete scene production.
- Developed and delivered the complete visual production of Bastion, from concept and visual development to animation and compositing.

Selected projects: Bastion; Vivienne Sabó; GAC; Atomic Soft; Prom Fact; Proshmash.
